Dear Sir/Madam:

I wish to share my concern regarding Radio-Canada's current financial situation and the impact it could have on public broadcaster's regional French-language services

Radio-Canada plays an essential role in terms of Francophone minorities being able to live and thrive in French. In many areas, Radio-Canada's regional service remains the only source of local French-language television and radio programming. More cuts to those regional services would have nefarious consequences for the Francophone and Acadian communities of Canada.

I feel it is high time for Parliament to act in order to safeguard Radio-Canada's presence and services across the country. Steps must be taken to ensure that our public broadcaster has the financial resources it needs to fulfill its mandate and offer quality radio and television services to Francophones across Canada.

For this reason, I am asking you as MP for _____ to take concrete action to support adequate funding for Radio-Canada. Our culture and our national identity are at stake.

Sincerely,

(Votre nom)
